HIGHLAND COURT® EXPLORES TECHNIQUES WITH THE MONTAGE COLLECTION

BAY SHORE, NY – HIGHLAND COURT® is pleased to introduce the **Montage Collection**, a comprehensive compilation of beautifully printed and embroidered abstract, traditional, and contemporary patterns in a range of both vivid colors and neutrals. These versatile, embellished blends of cotton and linen lend themselves to various soft home applications, from drapery to bedding.

The **HIGHLAND COURT®** designers employed various techniques and styles including French knots, hand-blocked & digital printing, linen appliques and hand-embroidery in various yarn weights in order to give each fabric of the **Montage Collection**

a unique aesthetic.

Natural fibers, organic shapes and intricate stitching detail make these bold patterns the perfect fabric to show off on the back of a chair or as a statement window treatment. Featuring colorways that echo today's trends such as aqua, violet and cornflower blue mixed with a wide range of classic neutrals, the fabrics of the **Montage Collection** are the perfect combination of fun and effortless chic.

HIGHLAND COURT®, a division of Duralee®, is headquartered in Bay Shore, New York with showrooms nationwide and throughout the world.
