Introducing Thomaspaul Indoor/Outdoor Prints Exclusively for Duralee

BAY SHORE, New York - By popular demand, Duralee is pleased to introduce Thomaspaul Indoor/Outdoor Prints. A natural extension of the wildly successful Thomaspaul and Duralee collaborations; the Thomaspaul Indoor/Outdoor Print Collection both reinvents some of the most popular patterns from Thomas's past two collections and introduces brand new patterns -- all in durable, weather-resistant form.

With a base of designs that traverse exotic locales such as Southeast Asia, Mexico and Africa, Thomaspaul redefines global by introducing his own touch of retro-styling with modern flair. Thomas's signature bold, bright colors punctuate the collection in the form of deep aqua and indigo, vibrant tangerine, lemon yellow, and lime green. A marriage of style and durability, the fabrics of the Thomaspaul Indoor/Outdoor Print Collection are perfect statement for the patio as well as the living room.

DURALEE[®], dedicated to providing the building blocks to design, is headquartered in Bay Shore, New York with showrooms nationwide and throughout the world.
